Missionaries with Red Cliff Bible Camp

"For the eyes of the Lord run to and fro throughout the whole earth, to shew himself strong in the behalf of them whose heart is perfect toward him." II Chronicles 16:9a

June 24, 2019.

Dear Friends, Family and Supporters:

Thank you for praying for our family. Thank you for your encouragement and kind works. Praise God the facilities are ready for campers, and today we started our first week of summer camp. It is Junior 1. We have around 25 campers eager to learn and have fun. Would you pray that each of them will grow in Christ and that, if they are not saved, God will bring them to understand their need of salvation.

Please pray for the speaker that his message will be clear and that God will use it for His glory. Please pray for the summer staff, volunteers and resident staff that God will work in each of us in a mighty way and use us for His glory.

Praise God, staff training went well. God gave safety, good learning and a sweet fellowship. We had a work team who helped with the floor joists and just this past we put the ones over the dining room up. They just need to be welded.

Setting up without the lodge takes a lot longer and it has more details to be worked on. Praise God He is always good to give the strength, help and abilities to get it all done.

Wixi had surgery last Monday June 17. The doctor repaired a hernia and took her appendix because it was inflamed. We are praying that this will fix the pain she has had since last fall. Wixi's doctor is still not completely sure that was the problem, but we are praying that this will bring the relief she needs. She is at home resting this week with the boys. Anah Grace is one of the campers. Please pray that God will grant healing.

David continues to serve up at camp. He just took Monday and Tuesday off for Wixi's surgery. We are very thankful for our church family that has helped us a lot during this time. David's parents were planning to come and help but, David's sister had a stroke. Would you pray for complete healing for her? She is doing better praise God, yet not all the way recovered yet.

Thank you for praying for this summer season. Next week is family camp. Please continue to pray for The MacGills, The Loftus, The Holts and our family. We are all resident staff and we appreciate your prayers as we serve here at Red Cliff and the Pinedale area.

Lastly, would you pray for a man here in town who God has been speaking to his heart. Our pastor has been speaking to him. He is one of the many that has received our Bible tracts through the years. So we are excited on how God is working. Thank you for praying. To God be the Glory!

"Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths." Proverbs 3:5-6

May God bless you all. Serving Christ with you in His care,

David & Wixi, Anah Grace, Leonard and Joseph Heyboer
