"For the eyes of the Lord run to and fro throughout the whole earth, to shew himself strong in the behalf of them whose heart is perfect toward him." II Chronicles 16:9a

June 16, 2018

Our Dear Supporters and friends,

Our God is a God of miracles. God provides always according to our needs. Our staff is small this summer, 16 added to our regular 3 couples (Loftus, MacGills and us). We have different people that have volunteered to come at different times to help. We need cooks; Lorie and Wixi are tag teaming this year and it is going well praise God. If you would like to come help cook for a week of camp, let us know so we can work together.

This camp season David's Aunt Linda and Uncle Ted Wyrick joined our team for the summer. They have been of great help. They are in charge of our Salt Counselors (Counselor helpers).

The summer staff will have their last week of training and then Junior 1 starts June 25. They have had lots of sessions in training and have helped set up for camp also. Tents are up and things look like summer around here. Praise God for His provision. We don't have interns this year. Yet, what a blessing that since we have the "setups" from last year we are ready for camp. Two extra tents are now set up one for games and one for crafts. Praise God for how He supplies.

David's weeks are full. Yet praise God for His strength, wisdom and help. Last week a friend came and helped him to build a small foundation wall on the lodge. This week others helped him pour the concrete. Our staff and Uncle Ted have helped alongside and truly have been a tremendous help. God may have given us a smaller group of staff this year, yet He has provided a good team and we are so thankful.

If you would like to come help on the rebuilding of the lodge or help in the kitchen, then please email our camp office at redcliffcamp@gmail.com. We praise God for his continued provision for the camp. Last Sunday a friend emailed us asking for the camp address so they could send a gift towards the rebuild. What a sweet encouragement to see God providing for the place He has called us to serve. Please continue to pray for God's provision for the lodge. Building it is under way, plumbing is being set in; and we look forward to the day God allows us to use that tool. For now we are so thankful for the ways He continues to supply.

We appreciated you all praying for our family. God has supplied a new supporter at \$50⁰⁰. We truly rejoice in the fact that God cares for our daily needs. We also had some friends who came to help us 2 weeks ago and they were a great help opening up camp to be ready for our summer staff. They brought us some very useful things for camp and food and household things for the 3 families in our team.

We are very privileged that God has brought us here and has provided for us to serve here. Our prayer is that He will use us. As the summer goes on; we will pray for the campers and the speakers, work with a joyful heart, serve with tender heart and encourage one another in their walk with Christ.

Please pray for our speakers, that God will guide them in what He wants them to preach; for our counselors, summer staff, volunteers, our volunteer cooks and our campers that God will lovingly confront each of them with their need of a personal relationship with Jesus Christ in salvation and to encourage each one to a life of obedience and service to Him for His glory. We appreciate your prayers! Please pray with us and for us.

Here are the dates, so you can pray specifically with us: Junior 1, June 25-30/ Camp Meeting, July 4-7 / Teen 1, July 9-14 / Teen 2, July 16-21 / Junior 2, July 23-28 / Junior 3, July 30-August 4 / Summit Trails, August 12-17 / Ladies Summit Trails, August 12-17 / Science Camp, September 7-8 / Ladies Retreat, September 13-15. During all this time work will be going on rebuilding the lodge. Please pray with us that the building will be enclosed before the winter comes.

In Christ's service,

David, Wixi, Anah Grace, Leonard, and Joseph Heyboer
