"For the eyes of the Lord run to and fro throughout the whole earth, to shew himself strong in the behalf of them whose heart is perfect toward him." II Chronicles 16:9a

Our Dear Supporters and friends,

May our God bless you. Thank you for your prayers, support and gifts. The end of February was so busy. What a blessing to know that God can look at the whole picture. Last year the end of February we shared the news of losing the Lodge; this year we had 48 teen campers running around the Pavilion which was set up with the preaching services area, kitchen, coffee shop, store and office. We praise God for the many hands that God provided to help with setup, serving and ministering. We have so many volunteers that tagged along with us. Thanks to each of you!

David, Mr. Dean and Mr. Dick did a lot of work to have everything ready. Having dishes and running water in that building was not a simple task, but God allowed it to be done. Daily God is teaching us to trust Him through every season in our life; he has it in control, not to discourage us but, to bless us to the Praise of His name. Psalm 18:30 As for God, his way is perfect: the word of the Lord is tried: he is a buckler to all those that trust in him.

Men's retreat was a blessing. We had only 24 campers this year. But truly the young people and men that came to Red Cliff this year had a willing heart to listen to God's Word and learn what God had to teach them even when it was less comfortable than before. We are praying for each of these lives that came, that God may continue to work in their hearts.

We praise God how He keeps reminding us over and over that our lodge was not just a big building but, it is a tool that he allowed us to use in many ways to serve more efficiently. It is our prayer that this summer the lodge will be closed in so it can continue to be worked on during the fall and winter.

David continues to work on calling, emailing and searching for cost and efficiency on appliances for our new camp kitchen in the lodge. He has been helping Mr. Dean with the computers for camp and Mr. Dean, Mr. Dick and David have continued going to camp getting things ready for summer camps and for building this year. This week they started to work again in the boys bathrooms that have not been finished. Please pray for the right person to do the septic field for this area.

Right now when David is not up at camp or helping with a camp area, he has been helping build our pastor's house. Praise God for the many hands who have helped build it. It will be a blessing to our pastor and his family when it is done. The house should be done in the middle of May and around that time we should be all going back up to camp. Please pray that this last few weeks the work in there will go well and the house will be done so that the pastor and his family will be able to move into their home.

Please pray for David as he is trying to meet with the young men from church once a month. Pray that God will be glorified in that and they will have meaningful conversations.

David took Leonard (our oldest son) to help him up at camp one day. He maybe did not help daddy a lot but he learned from daddy and had good talks with him.

Continue to pray for Wixi as she is having 2 new ladies in the community that she is investing time with. Please pray specially for one of her new friend's baby. His name is Cash and right now he is in the NICU, he was born at 24 weeks and is now 34. He is on oxygen right now, pray for health for him and for his family dependence and growth in Christ.

Thank you for prayerfully supporting our camp ministry and our family. Thank you for praying. Thank you for your encouragement and gifts. Please pray that God will continue to use our family for His glory.

Will you pray with us for God to provide the summer staff we still need and that God will be working in their hearts and ours even now? Please pray for a helper to David's area and my area. Please pray that our summer staff needs will be met.

Please pray for our speakers that God will guide them in what He wants them to preach and for our counselors, summer staff, volunteers (we will have many coming in and out working on the lodge), our volunteer cooks and our campers. We appreciate your prayers!

In Christ's service,

David, Wixi, Anah Grace, Allen, and Joseph Heyboer
