

## MacGill's Meanderings...

Winter is coming to an end in this corner of Wyoming. We've lived here long enough to know that we might still get snow, but it won't last. The snow on the camp property is dropping and getting softer in the afternoons. This is great news as we prepare for the season ahead. Please pray with us that the snow would go in God's perfect timing. In the meanwhile, pray with and for us as the Red Cliff team works in preparation for counselor training, upcoming camps, firewood gathering, \and the lodge rebuild. Each area needs people willing to sacrifice their time and energy to help in this season. We know the Lord will provide; we also know He does it through His children. Pray that God would bring just the right people at just the right time in this ministry. We want Him to be glorified in all that is done at Red Cliff.

Thank you so much for your faithfulness in praying for us as we serve the Lord here at Red Cliff Bible Camp. We praise the Lord for His good provision in many ways. One request we had in our last prayer letter was for financial provision for some dental work Dick needed to have done. The Lord has provided and we have only about \$250.00 left of a several thousand dollar bill. The dental work has been completed and we are very thankful! We are deeply touched by the generosity of many of you in helping make this happen. Thank you for your giving hearts and ways!

In the last couple of months, Dick has noticed some pain and muscle weakness in his right arm and hand. Tomorrow (April 19) he will be having an MRI and two doctor visits to try to determine what is going on and how to help it improve. Would you pray with us please for wisdom for the doctors as they review the information and make a plan of action.

We are excited to learn of another grandchild on the way...what a joy children's children are! (Josh and Laura are expecting a baby in August). Please pray with us for the salvation of each precious life God has added to our family.

We would also ask that you pray with us for the Lord's continued provision of finances needed and that we would serve Him well in the ministry He has given us here.

Serving that others  
might minister,

Dick & Deirdre MacGill
