Dear supporters, friends and family,

Thank you for praying for our family this year. Thank you for taking time to write and encourage us to press on continuing serving. Our hope in Christ is that you know how much of a blessing each of you are to our family and ministry.

May you have a Blessed Christmas season. May our God bless and encourage you. May God use us all to bring the good news of His Gospel to everyone around us. May others see the joy of our Salvation. May God meet all your spiritual and physical needs in this new year.

God has answered our daily need. Wixi had to go to the dentist because 2 of her crowns were broken. Praise God we were able to fix one already and we are planning to, Lord willing, get the other one done in February. We have had some small gifts come in to help with expenses while we visit family, we have been so encouraged to see God provide even for this time with family. We had friends email us 2 weeks ago and said: "Hey last year we got a mixer for Wixi, this year we would like to replace your TV since it is failing." God is a good God who is so wonderful! We wish we could sit with each of you and just share each and every blessing during this year. We hope that as you have read our letters this year; you have seen God's hand at work in every detail in our family and ministry.

David is very encouraged in the blessing that our temporary kitchen at camp is ready. God allowed them to have things set up and functional. David helped at the camp office this past week and then he also helped at our pastor's home trying to finish up their electric.

We praise God that Wixi and the kids were able to give 109 Bible tracts with treats around town. God truly answered prayers bringing new people along to receive the tracts. We are so blessed to be able to give out God's Word. We continue to give His Word and trust Him to use it in the hearts of the people in our community.

We praise God that four of Wixi's Hispanic friends were able to attend our church Christmas dinner. We are praying that they will understand their need of Salvation.

Please pray for safety and provision from God for our family and the rest of the staff families and camp.

Pray for God to work in our hearts, the speaker's, the volunteer staff, and the campers' hearts this winter.

Please pray for our contacts here in town. We have made friendships around us and would love for them to understand and grow in the knowledge of our Savior, the real reason for Christmas. Pray that God will open the door for meaningful conversations so that we can have a clear presentation of the gospel.

Pray for our summer staff and volunteers next summer. We are so thankful to God for His provision through this year to be able to continue to serve and minister here at Red Cliff Bible Camp. We are humble and thankful to you for choosing to support our family and ministry. We thank you for your prayers and encouraging words to our family. Thank you to each one of you that is prayerfully supporting our family. Please know that we can serve because of your prayers and support. God bless you; we pray for each of you, our supporters. Please pray for us as we are visiting family this next 2 weeks. Please pray for safety and a renewal of strength for the tasks to come in January. God bless you all.

Serving Christ with you in His care,

David & Wixi, Anah Grace, Leonard Allen and Joseph David Heyboer
