Missionaries with Red Cliff Bible Camp

**"For the eyes of the Lord run to and fro throughout the whole earth, to shew himself strong in the behalf of them whose heart is perfect toward him." II Chronicles 16:9a**

Our Dear Supporters and Friends,

Ephesians 4:1-6 "I therefore, the prisoner of the Lord, beseech you that ye walk worthy of the vocation wherewith ye are called, (2) With all lowliness and meekness, with longsuffering, forbearing one another in love; (3) Endeavoring to keep the unity of the Spirit in the bond of peace. (4) There is one body, and one Spirit, even as ye are called in one hope of your calling; (5) One Lord, one faith, one baptism, (6) One God and Father of all, who is above all, and through all, and in you all."

Our God left us so many examples of what it is to serve. God has allowed us to have a very fruitful summer. We are very weary, but in every step of the way God sustained us in an amazing way. Our prayer is that we will faithfully serve with a joyful spirit in one body with the other two families on our team.

We praise God for his provision of many helping hands this summer and for the ones that very sweetly came and served alongside with us each step of the way. The kids and Wixi drove down the road from camp three times a week for therapies, and we thank God for His protection.

David continues to work on the Lodge building and the many areas around camp that need attention. This past month God allowed David, with the help of volunteers, to put down the new water line to the Lodge. What a blessing to have people with experience and with equipment help dig the trench for it!

There will be a work team this next week. Please pray for safety and that God will guide them as they help in many areas around camp.

Please pray for our health. Wixi and the kids will start school the Monday after Ladies Retreat. The kids will be in 4<sup>th</sup> grade, 1<sup>st</sup> grade and K4. With that comes some extra curriculum classes that Anah Grace will take at the public school (Art, PE, Music and Handwriting). Our school in town covers Anah Grace's therapies if she is involved in school at least part time. We are also starting to teach them Spanish. We think it is important for them to learn more of Wixi's primary language.

Please pray for our family during the Fall, Winter and Spring. David continues to serve at camp, and Wixi and the kids are focusing more on homeschooling and doing things around town. Please pray for Bible tracts and candy to give at Halloween, materials to bake and give Bible tracts around town, wisdom on how to serve our church members and the ones in spiritual needs around us. Please pray for wisdom and help as camp will need to be set up for the Winter after Ladies Retreat. This involves a lot of storing activity materials and the kitchen tent and putting out winter camp gear and focusing on the areas that will need work during this next season.

We praise God for his provision. This past month God supplied fruit for us to can and some already canned. God supplied some extra gifts that allowed us to finish paying for our school material for this year. God provided wood for David to build a bench for our home on our break week. We are very thankful for how God answers prayers and how our kids are seeing and learning to trust God for our daily needs. Please pray that we will not be weary but that we will be bold in sharing the Gospel and encouraging Christians.

Philippians 4:19 "But my God shall supply all your need according to his riches in glory by Christ Jesus."

Thank you for praying and thank you for your support.

In Christ's service,

David, Wixi, Anah Grace, Leonard, and Joseph Heyboer
