

MacGill's Meanderings...

Dear Prayer Warriors and Faithful Supporters,

God is SO good! Just recently a friend encouraged us a devotional about God's gifts. It is easy to focus on what we **want** during this time of year, forgetting to focus on what **God has already given to us**. With that thought in mind, we want to praise the Lord for His goodness throughout the year.

We are thankful for health and strength to continue serving Him in the ministry of Red Cliff Bible Camp!

We are thankful for His provision of skilled doctors when Dick needed to have surgery. He is healing well and we have seen big improvements. We are also thankful for the financial supply that provided for his dental needs.

We are thankful for the progress that has been made on the Lodge. We look forward to seeing it completed!

We are thankful that God meets our needs. We do not have 100% support, but He continues to provide for our daily needs. Thank you for your willing part in holding us up in prayer and financial support. Your prayers are vital to this work.

We are thankful that the Lord provided for our family to be together at Thanksgiving. What a blessing to have children and grandchildren all together!

We are thankful that, through a very generous gift, Deirdre was able to go with her younger sister to Ireland to visit with her other sister who is a missionary there with her husband. If the Lord lays it on your heart, please pray for the people of Ireland!

We are thankful that in the fullness of time God sent His Son to be the Savior of the world; thankful that we were able to accept that perfect gift at one time in our own lives; and thankful to be able to share that message with others!

The list could and does go on. We want to remember that He is good in everything and in every way and always provides what is best.

Please join us in bringing the following needs before the Father.

Prayer Requests:

- Provision for an enclosed gooseneck trailer for chuck wagon ministry
- Needed dental work for Deirdre
- Monthly support
- Continued deepening of our love and walk with the Lord in our service for Him

Serving that others might minister,

Dick & Deirdre MacGill
